Dance teacher: £3412

Subscription to Get Set 4 PE: £500

Dance Club: £1600

Boogie Bounce £500

Swimming instructors: -

Transport to inter-school events: -

**Total expenditure: £10812**

#### **Impact on participation and attainment**

Despite restrictions from the pandemic, all children from years 1 to 6 were taught a good range of sports throughout the year. Throughout the school closure, our PE and dance teachers provided online lessons for the children.

This year, we have introduced Get Set 4 PE, a commercial scheme for Physical Education. This has ensured that there is progression in the teaching of different sports and supports our PE teacher with planning and assessment. Get Set plans are adapted for each class. In addition, our PE teacher attended a 12 week tennis coaching course provided by the LTA, so we are able to develop the teaching of tennis in the coming year.

In a typical week, all children in years 1 to 6 receive 2 hours of sports. Children in reception have one dedicated sports lessons a week with our PE instructor. Dance is taught by a special instructor.

Due to the pandemic, we were unable to participate in any inter-schools competitions in 2020-21, but our School Sports Co-ordinator was able to lead several in school events.

#### **What are our plans for Sports Premium Spending in 2021-22**

##### **Priorities**

- Renew swimming lessons, focussing on weaker swimmers in Y5 and 6 and then offering swimming to year 4, with the aim of focussing on years 3 and 4 in subsequent years
- Renew participation in inter-school sports and our provision of extra-curricular sports clubs to pupils in KS1 and 2
- Continue to develop expertise in sports coaching and teaching, applying knowledge gained from LTA tennis coaching training and developing expertise in teaching gymnastics
