How has the Sports Premium been spent in 2022-23?

Objective	Activity	Cost	Impact
All children from years 1 to 6 to participate regularly and competitively in inter-school and inter-house sports events.	GVS employ the Cromer and Sheringham School Sports Partnership co-ordinator and participate regularly. We have organised termly inter-house events to increase participation for all pupils.	Our share of membership £1000. Transport to inter-school events £3000.	Children across KS1 and 2 have been able to enter a range of competitive and non-competitive events throughout the year at school and across the partnership.
Provide a range of high quality extra-curricular sports clubs	Sports and outdoor based extra-curricular clubs were provided throughout the year eg fitness, dance, rugby.	Dance teacher £1200 Other staffing costs: £1000	We noticed a fall in take up of extra-curricular clubs following the pandemic and are reviewing our provision and advertising for 23-24.
Continue to develop and deepen expertise	Increase capacity to deliver Forest School across the school.	Training: £1500	Member of staff trained to Forest School Level 2.

in sports coaching and teaching			
All children to meet the National Curriculum swimming requirements by the end of key stage 2	Swimming lessons for children in years 5 and 6 who did not meet NC requirements.	Transport and lessons: £2500 School staffing costs: £300	We continued to play catch up in trying to get all pupils to swim 25 metres by the end of Y5. By summer 23, all year 6 pupils met NC requirements.

Plans for expenditure in 2023-24

- Continue to lead the area PE partnership by employing the School Sports Co-ordinator
- Increase capacity to deliver PE and sports in the curriculum by commissioning accredited training for an additional TA L2
- Significantly increasing the extra-curricular sports offer for pupils in KS1 and 2
- Continue to prioritise minimum NC swimming requirements for children in Y4 and 5
